## Director's Notes

**I**t's been three years since our last in-person fest! On behalf of the Reel Shorts Film Society Board and all the volunteers who help put on the festival, welcome back!

The challenges that came with the pandemic also revealed a silver lining. Our school program had been the largest in the Prairie Provinces each year from 2017-2019 with 2,000+ Grade 1-12 students attending each year from 15-20 schools in the region. When our venue was closed and no one could attend last year, over 600 people signed up for our Virtual Fest, 123 of them teachers from 36 schools who viewed the school program film packages with their students.

We wanted to provide the advantages of both an in-person fest and a virtual fest this year, so the 2022 Reel Shorts Film Festival is a hybrid fest. Enjoy in-person screenings at Grande Prairie Live Theatre April 26 to May 1, and enjoy on-demand access to the Virtual Fest May 2-8.

We received 7,680 submissions from 137 countries and selected 41 short films from 15 countries. We hope you enjoy them as you travel the world from the comfort of Grande Prairie Live Theatre, your classroom, or your own home!
